Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Sandoval County, NM Navajo Road 474 Repair project in fiscal year 2024. The entity to receive funding for this project is Sandoval County, located at 1500 Idalia Rd, P.O. Box 40, Bernalillo, New Mexico 87004. The funding would be used to rejuvenate approximately 1.3 miles of Navajo Road 474, which is located in NM-03. The project is an appropriate use of taxpayer funds because the road has become almost undrivable due to potholes, high traffic count and other problems, and it serves as an important access point to schools, stores, medical facilities, and public safety. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 202 (Tribal Transportation Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Sincerely, Member of Congress

Sincerely,

Teresa Leger Fernández  
Member of Congress
